Robert cell 249-6298

Married to Trish Bowen Langley

Children: Warren Langley 30, Karen Browning 40

I was born in Clovis but living in Melrose. I moved to Tucumcari when I was 4. Some of my fondest memories are from singing in the high school choir and in the Barber Shop Quartet during our junior and senior years. I received my BA degree from UNM in 1961 and became an Ensign in the US Navy. I went to flight school and flew transports for 2 1/2 years and carrier based anti-submarine patrol planes for 2 1/2 years, leaving the US Navy in 1968. I received my MA degree from UNM in 1972. Trish and I met in the line registering for graduate school and she lured me to her place for some good home cooked spaghetti. I am blessed to be married to Trish. See Trish's story concerning our 5 granddaughters (and expected grandson!).

I had prostate surgery in 1993 and was diagnosed with lymphoma at that time. I am a cancer survivor (lymphoma) and have been cancer free for five years - praise the Lord!  
I am a Network Engineer working for Oso Grande Technologies in Albuquerque.

Robert & Trish are proud and honored to be a part of the Great Graduation Class of 1957! Go Rattlers!
